

On cancellation of the decision of the Interdepartmental Commission on International Trade dated 23.04.2021 № SP-491/2021 / 4411-03 "On the application of special measures for the import of wires to Ukraine regardless of the country of origin and export"

NOTIFICATION

On cancellation of the decision of the Interdepartmental Commission on International Trade dated 23.04.2021

№ SP-491/2021 / 4411-03 "On the application of special measures for the import of wires to Ukraine, regardless of country of origin and export"

Pursuant to Part Twelve of Article 16 of the Law of Ukraine "On Application of Special Measures for Import into Ukraine" (hereinafter - the Law), the Interdepartmental Commission on International Trade (hereinafter - the Commission) considered the request of the Ministry of Digital Transformation of Ukraine to review the Commission decision of 23.04.2021 № SP-491/2021 / 4411-03 "On the application of special measures for the import of wires to Ukraine, regardless of country of origin and export" and adopted a decision of 24.09.2021 № SP-508/2021 / 4411-03 "On the revision of the decision of the Interdepartmental Commission on international trade from 23.04.2021 № SP-491/2021 / 4411-03 "On the application of special measures for the import of wires to Ukraine, regardless of country of origin and export".

Following the above review, the Commission found that national interests did not require special measures and adopted a decision of 11.10.2021 № SP-510/2021 / 4411-03, which decided to repeal the Commission's decision of 23.04.2021 № SP-491/2021 / 4411-03 "On the application of special measures for the import of wires to Ukraine, regardless of country of origin and export."

The decision of the Commission of 11.10.2021 № SP-510/2021 / 4411-03 comes into force from the date of publication of the notice about it in the newspaper "Uryadovyy Courier".
