2025 China (Beijing) International Exquisite Ceramics Expo

To advance the high-quality development of the ceramics industry and to establish an international, high-end-oriented exhibition and trade platform based on the principles of joint contribution and shared benefits, China Ceramic Industry Association will host the 2025 China (Beijing) International Exquisite Ceramics Expo at the Shougang International Exhibition and Convention Center from October 30 to November 2, 2025.

Aligned with industry trends and enterprise needs, the Expo will feature three concurrent thematic exhibitions:

1. 2025 China (Beijing) International Exquisite Ceramics Expo, featuring the Daily-Use and Artistic Fine Ceramics Exhibition
2. 2025 China (Beijing) International Exquisite Ceramics Expo, featuring the First Smart Sanitary Ware and Architectural Ceramics Exhibition
3. 2025 China (Beijing) International Exquisite Ceramics Expo, featuring the Special Ceramics Full Industry Chain Exhibition

We sincerely invite you to gather in Beijing at the “Shougang Expo Town” and join us for this grand celebration of the ceramic industry!
