June 27, 2024

Dear Mehmet Hakan Akgun:

The Canada Border Services Agency (CBSA) has today initiated a re-investigation of the normal values and export prices of certain oil country tubular goods originating in or exported from the Separate Customs Territory of Taiwan, Penghu, Kinmen and Matsu (Chinese Taipei), India, Indonesia, South Korea, Thailand, Türkiye and Vietnam.

The re-investigation is part of the CBSA's enforcement of the Canadian International Trade Tribunal's order issued December 30, 2020.

The information collected during the course of this re-investigation will be used to update the normal values and export prices for future shipments in accordance with the *Special Import Measures Act* (SIMA).

You may visit the CBSA's website to view the notice of initiation and the schedule at: www.cbsa-asfc.gc.ca/sima-lmsi/ri-re/menu-eng.html. This website will also be updated when new information becomes available.

It is expected that the re-investigation will be concluded by December 19, 2024. The new normal values will become effective for subject goods released from the CBSA on or after that date, or the date of the ruling letter to the exporter, whichever occurs first.

As part of the re-investigation, the CBSA is requesting information from the exporters of the subject goods in your country concerning normal values and export prices. A copy of this questionnaire is enclosed as *Dumping Request for Information*.

.../2

You should also be aware that it might be necessary for officers of the CBSA to visit the exporters to verify information provided by them during the re-investigation. In such an eventuality, you will be notified in advance of these visits.

It should be noted that the CBSA requires a complete response from the exporters of the goods. In the event that the information provided to the CBSA by parties to the re-investigation is insufficient, the normal value and export price will be determined in such a manner as the Minister specifies.

Should you have any questions pertaining to this re-investigation, please contact Simon Duval, Manager, SIMA Investigations Division, by phone at 613-291-9301 or by email at Simon.Duval@cbsa-asfc.gc.ca.

Yours truly,
