The Canadian International Trade Tribunal hereby gives notice that it will, pursuant to subsection 76.03(3) of the *Special Import Measures Act (SIMA)*, initiate an expiry review of its finding made on April 2, 2015, in Inquiry No. NQ-2014-002, concerning the dumping of oil country tubular goods, which are casing, tubing and green tubes made of carbon or alloy steel, welded or seamless, heat-treated or not heat-treated, regardless of end finish, having an outside diameter from 2 3/8 inches to 13 3/8 inches (60.3 mm to 339.7 mm), meeting or supplied to meet American Petroleum Institute (API) specification 5CT or equivalent and/or enhanced proprietary standards, in all grades, excluding drill pipe, pup joints, couplings, coupling stock and stainless steel casing, tubing or green tubes containing 10.5 percent or more by weight of chromium, originating in or exported from Chinese Taipei, the Republic of India, the Republic of Indonesia, the Republic of the Philippines, the Republic of Korea, the Kingdom of Thailand, the Republic of Turkey, Ukraine and the Socialist Republic of Vietnam (the subject goods).

In this expiry review, the Canada Border Services Agency (CBSA) will first determine whether the expiry of the finding in respect of the subject goods is likely to result in the continuation or resumption of dumping of the subject goods. If the CBSA determines that the expiry of the finding in respect of any goods is likely to result in the continuation or resumption of dumping, the Tribunal will then conduct an expiry review to determine if the continued or resumed dumping is likely to result in injury. The CBSA will provide notice of its determination within 150 days after receiving notice of the Tribunal's decision to initiate an expiry review, that is, no later than July 21, 2020. The Tribunal will issue its order and its statement of reasons no later than December 29, 2020.

Each person or government wishing to participate in this expiry review must file a notice of participation with the Tribunal on or before August 5, 2020. ## ADDITIONAL INFORMATION

### BACKGROUND INFORMATION

Notice of Expiry No. LE-2019-005, issued on January 3, 2020, informed interested persons and governments of the impending expiry of the Tribunal's finding in Inquiry No. NQ-2014-002 concerning the dumping of the subject goods. On the basis of the information filed during the expiry process, the Tribunal is of the opinion that an expiry review of the finding is warranted.

In this expiry review, the CBSA will first conduct an investigation to determine whether the expiry of the finding in respect of the subject goods is likely to result in the continuation or resumption of dumping of the subject goods. To this end, the CBSA will send questionnaires to domestic producers, importers and foreign producers to gather information for its investigation. Further information regarding the CBSA's investigation can be obtained by contacting Mr. Sanjivan Sandhu, Canada Border Services Agency, 11th Floor, 100 Metcalfe Street, Ottawa, Ontario K1A 0L8, 613-946-4857, sanjivan.sandhu@cbsa-asfc.gc.ca (e-mail). A copy of the CBSA's investigation schedule is available on the CBSA's Web site at [www.cbsa-asfc.gc.ca/sima-lmsi/er-rre/menu-eng.html](http://www.cbsa-asfc.gc.ca/sima-lmsi/er-rre/menu-eng.html).

If the CBSA determines that the expiry of the finding in respect of any goods is likely to result in the continuation or resumption of dumping, the Tribunal will then conduct an expiry review, pursuant to the provisions of *SIMA* and its *Expiry Review Guidelines*, to determine if the continued or resumed dumping of the subject goods is likely to result in injury. Upon receipt of the CBSA's determination, if any, of a likelihood of continued or resumed dumping, the Tribunal will issue other questionnaires to domestic producers, certain importers and foreign producers to gather information for the purposes of its expiry review.

The schedule for the Tribunal's expiry review specifies, among other things, the date for the filing of replies to Tribunal expiry review questionnaires, the date on which information on the record will be made available by the Tribunal to interested parties and counsel that have filed notices of participation or notices of representation and declarations and undertakings, the dates for the filing of submissions by interested parties and the hearing date.

## PUBLIC HEARING

The Tribunal will hold a public hearing relating to this expiry review in the Tribunal's Hearing Room No. 1, 18th Floor, 333 Laurier Avenue West, Ottawa, Ontario, commencing on the 19th day of October 2020, at 9:30 a.m., to hear evidence and representations by interested parties. If there are no opposing parties, the Tribunal may explore the possibility of a holding a file hearing, i.e. a hearing through written submissions only, instead of an oral hearing.

## INTERPRETATION AT THE HEARING

Parties' requirements for interpretation services will vary depending on factors including the language(s) used by other parties, and the language(s) used by witnesses. The Tribunal's experience is that much depends on peoples' comfort level in understanding the language(s) used in a proceeding.

The procedure that follows is a two-step process that provides the Tribunal with advanced notice to ensure the availability of interpretation services for hearings, when required. It is geared at allowing parties to make informed requests in a timely manner.

- Step One: 25 days prior to the hearing, parties are to declare to the Tribunal and all parties, in writing, *what language(s)* their counsel and witnesses will be using.
- Step Two: 20 days prior to the hearing, pursuant to subrule 23(4) of the *Canadian International Trade Tribunal Rules* (the *Rules*), parties are to declare to the Tribunal and all parties, in writing, *what interpretation services* they and/or their witnesses require for the hearing and declare if the interpretation service is required for the entirety of the hearing or for specific testimonies and/or arguments.

Written and oral communication with the Tribunal may be in English or in French.

The *Expiry Reviews Guidelines* can be found on the Tribunal's Web site at <https://citt-tcce.gc.ca/en/resource-types/expiry-review-guidelines.html>.
