

OFFICE OF INVESTIGATIONS

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

January 16, 2020

Dear Counsel:

Attached are drafts of the producer, importer, purchaser, and foreign producer questionnaires for Inv. Nos. 701-TA-499-500 and 731-TA-1215-1216, 1221-1223 (Review): Oil Country Tubular Goods from India, Korea, Turkey, Ukraine, and Vietnam. Please review the draft questionnaires and make any suggestions you deem appropriate. Please provide an explanation for all suggested additions and modifications, and take into consideration the likely burden of your suggestions on questionnaire respondents.

The Commission is also instructing firms to submit their questionnaire response(s) in the fillable MS Word forms via the Commission dropbox, by email, or on CDs. All questions including all data tables should be answered in the fillable form. The submission of questionnaire responses in the MS Word fillable form allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. If your client is unable to complete and return the entire questionnaire in the fillable MS Word form, please provide the specific reason(s) in your submission for comments on the draft questionnaires.

In order to permit the Commission sufficient time to review the questionnaires after your comments have been incorporated, we must have all comments by **Thursday, January 30, 2020**. In addition, U.S. producers and importers are requested to identify in an attachment the names, email addresses, street addresses, contact persons, and telephone numbers of their firm's 10 largest customers for oil country tubular goods during 2019, if they have not already provided such information to the Commission. **All comments must be submitted in writing to the Commission in accordance with Commission rule 201.8 and must be served on all parties on the public and APO service lists.**

Sincerely,

A handwritten signature in black ink, appearing to read "Nannette Christ".

Nannette Christ
Director
