Yiğit ESER**

Dear Mr. Yiğit ESER!

On behalf of Russian Chamber of Commerce and Industry of the Russian Federation let me express my respects to Turkey Exporters Assembly (TIM) as a main export support organization in the Republic of Turkey.

I'd like to inform you, that on October, 22 delegation from Bashkortostan Republic of Russia Chamber of Commerce and Industry (Bashkortostan CCI) will visit Istanbul for business purposes. Among the participants will be the following companies, who're looking for suppliers in Turkey:

1. **SSPK Tumazinsky ovoshevod** (Meeting the needs of the members in services for the sale of agricultural and other products, processing of agricultural raw materials, provision with working capital, as well as meeting other production and social needs). Company is looking for Producers of juices, juice concentrates, Potential investors in the development of agriculture, in the deep processing of vegetables and fruits.
2. **JSC Bashkir Exhibition Company** - Attraction to participation in exhibition events
3. **GUP BHP Agidel** (Manufacture of folk arts and crafts, souvenirs and cultural and household goods). Interested in cooperation with enterprises of the Republic of Turkey in terms of export of textiles, cotton fabrics, soft fabrics, leather, yarn-wool, natural fabrics for batik (hand-painted on fabric) - fortechin, satin, chiffon, velvet (natural, artificial), costume fabrics, incl. for school uniforms, 100% wool, mixed fabrics (gabardine).

On October, 22 in CVK Hotel Bosphorus government of Bashkortostan will make a presentation of the region and it's investment and economic potential. After the protocol event at **15.30PM** B2B meetings will take place.

In this case I kindly ask your help to attract your company-members to participate in B2B meeting, taking into consideration import requests from Bashkortostan CCI. If some of your companies are interested, I'll appreciate any information about it.

Looking to your soonest reply.

My contact details and BC attached to the letter.
