

Steps to submit a project within the industrial partnership

1. Complete the industrial project proposal form and submit to the ministry's working team in the concerned country.
2. Initial assessment of the project to be done, focusing on its alignment with the strategic objectives of the partnership, feasibility, readiness level, and anticipated impact.
3. A meeting will be conducted between the sector's working group and the company to discuss the project in more details
4. Seek approval for the project from the Executive Committee.
5. Announce the project during the higher Committee meeting.
6. Ongoing monitoring of the project's progress and support the company to achieve the necessary enablers.
